

A patented Retinoid Complex (Tretinol®), formulated with a proprietary Trans-Epidermal Carrier, includes Vitamins C and E to maximize the effectiveness of Retinol's anti-aging benefits. It dramatically reduces the appearance of fine lines, wrinkles, and deep creases, as well as brightens the skin.

Directions: Apply sparingly over face and neck, avoiding eye area. Allow product to fully absorb. Use once a day at bedtime, or as directed. Initial application should be twice a week for first week; increase use after signs of irritation diminish. Use of sun protection recommended.
