Retinol 10x Serum

DESCRIPTION

Advanced formula containing Retinol, Vitamin C and Coenzyme Q10 works to visibly reduce fine lines and wrinkles through increased cellular turnover, while enhanced collagen synthesis promotes healthy, more youthful looking skin. The Retinol dosage delivered in this formula increases firmness, and diminishes the look of fine lines and wrinkles significantly improving skin tone and refining the skin's surface. Vitamin C provides potent antioxidant protection shielding the skin from free radicals and sun damage, visibly brightening the skin. The CoEnzymeQ10 improves the appearance of aging through it's antioxidant properties and skin-soothing effects.
